No. 11-cv-5989 (FSH/JBC)

**STIPULATED FINAL  
JUDGMENT AND ORDER**

On consent of plaintiffs Warner Chilcott Company, LLC, and Warner Chilcott (US), LLC (collectively “Warner Chilcott”) and defendants Amneal Pharmaceuticals, LLC, and Amneal Pharmaceuticals of New York, LLC (collectively “Amneal”), final judgment is hereby entered as follows:

1. The Parties have entered into an agreement settling their respective disputes and claims in this case (“Settlement Agreement”).

2. The asserted claims of the patents in suit (U.S. Patent Nos. 7,645,459; 7,645,460; and 8,246,989) are not invalid and are not unenforceable in this litigation, and the filing of Abbreviated New Drug Application No. 203090 was an act of infringement by Amneal under 35 U.S.C. § 271(e)(2), and the manufacture, sale, use, importation and offer for sale of the Amneal Product described therein would constitute further infringements except as provided in the Settlement Agreement.

3. Unless permitted by license, Amneal, its officers, directors, agents, and others in active concert and participation with it who receive actual notice of this judgment by personal service or otherwise, shall be and hereby are permanently enjoined and restrained from infringing claims of the patents in suit during the terms of each patent, by making, using, selling, offering for sale, or importing the products/recited in paragraph 2 above.

4. This is a final judgment that resolves all issues in this case, and the case is dismissed with prejudice. The Clerk is requested to mark this case as closed. To the extent that

any claim, counterclaim, or defense is not expressly recited and resolved in this judgment, it is dismissed with prejudice. All pending motions are dismissed as moot.
